## Education

**Charusat University of Science and Technology (Changa)**

Oct. 2021 - May. 2025

B.Tech Computer Engineering

**CGPA: 8.26**

**Dream International School (Dhoraji)**

Jun. 2019 - May. 2021

Higher Secondary (PCM)

**Percentage: 86.66 %**

## Experience

**Buoyancy Software**

Dec. 2024 - Ongoing

**Software Engineer Intern**

- Participated in the design and development of responsive frontend interfaces using React.js, focusing on interactive user experiences and performance optimization.
- Collaborated with senior developers and gained hands-on experience in applying design principles and frontend best practices.

## Projects

**E-Commerce Shopping Website**

*React.js, Node.js, MySQL, Strapi, Stripe, Git*

- In designing the website for Moody Spark garments, our aim is to vividly showcase the shop and its diverse range of 100+ items available for online purchase.
- The ultimate goal of this website is to deliver actionable recommendations that drive sales and enhance customer satisfaction, ultimately establishing our e-commerce platform as the premier destination for online fashion shopping.

**Milk Delivery Platform**

*React.js, MongoDB, Tailwind Css, Git*

- The purpose of this website is to establish a convenient and efficient platform for customers to order and receive fresh milk products delivered directly to their doorstep.
- The website functions as an online marketplace or e-commerce platform specializing in the sale and delivery of milk.

**Student Help Portal**

*HTML, Css, JavaScript, Node.js*

- Engineered a student help portal facilitating easy access to essential resources such as faculty location details, scholarship schemes information and study materials.
- Enhanced user experience by designing intuitive interfaces for students to effortlessly navigate and find relevant information to support their academic journey.

## Leadership and Volunteering

**National Service Scheme**

Sep. 2022 - May. 2025

**NSS Co-ordinator**

- Team management, Leadership, Ability to handle people diplomatically.
- Always ready to clear the basics and to learn new and interactive things.
- Volunteer for Annual Camp participation.
- Coordinate events such as the Awareness Run for Traffic Rules and Road Safety and the Flag Hosting.

## Skills
